

10 Year Anniversary

Honoring Brooke Lierman and Adeline Hutchinson

Monday, June 1 • 6:00-8:00pm • Gertrude's Chesapeake Kitchen

Since its founding by merging five separate organizations, Blue Water Baltimore has been grounded in partnerships with many individuals and organizations in our watersheds. Powerful movements are built by the work of many hands.

We invite you to honor the work of two leaders who have been essential to our efforts and to join friends and supporters as we embark together on our next decade of clean water and strong communities.
